Patel Aryan Dharmesh

Web Developer And Data Science Student

Profile Summary

I am a B.Tech student currently pursuing a degree in Artificial Intelligence And Data Science, with a strong foundation and intermediate skills in Python programming. In addition to my core studies, I am expanding my technical expertise by learning full-stack development, including React, Node.js, HTML, and CSS. I am also acquiring proficiency in Power BI tools and advanced Excel. I am eager to apply my knowledge and skills in a practical setting and am actively seeking opportunities to grow and learn as an intern, freelancer, or employee. I am passionate about embracing new challenges and contributing to innovative projects within a dynamic company

.
